## ABOUT ME

- I am a dedicated web developer with a strong emphasis on crafting dynamic and innovative websites and web applications. With a keen sense of design and a solid programming foundation. Drawing from my experience as a former Project Manager, I offer a unique skill set that includes strong communication abilities, adept project management skills, and effective problem-solving capabilities. This combination of skills adds a distinctive edge to my coding projects, where I excel in fostering teamwork, managing time efficiently, and building strong client relationships.

## TECHNICALS SKILLS

- Next.js, React.js, JavaScript, HTML5, CSS3, Prisma, Mysql, Tailwindcss, TypeScript, Sass
- jQuery, AJAX, Bootstrap, API integration, PWAs, Git, CMS Integration, Responsive Desing, Debugging, SEO optimalization, Web Animation, shadcnui, react-hooks,

## WORK EXPERIENCE

### **Project Menager at Buma AS** 2020 - 2022

- Identify and communicate with project stakeholders.
- Provide leadership and support to motivate and guide the team.
- Provide regular project updates to stakeholders.
- Develop a detailed project plan, including schedules, timelines, and budgets.

## PERSONAL PROJECTS

### **SpeedRent Store & Admin** <https://speed-rent-store.vercel.app> <https://speed-rent-admin-panel.vercel.app>

- I developed an admin dashboard with Clerk, Stripe, Prisma, PlanetScale, Next.js, TypeScript, Tailwindcss
- This dashboard efficiently manages products, categories, users, and payments, all in real-time coordination with the store application via GET and POST requests.

### **DegustoVR** <https://degusto-ts.vercel.app/>

- I've created an online store with user account management, secure Stripe payments, TypeScript for code quality, Tailwind CSS for design, Railway for backend, Prisma for database, and Figma for design.
- Users can sign up, shop, manage their accounts, place orders, and add items to their carts.

## EDUCATION

### **IT Technical School & Achievements** 2016 - 2019

IT Technical School | Zespół Szkół w Rabce-Zdroju im. ks. prof. Józefa Tischnera
