- Scrum ,Agile, CPM, EVM, Nosbe, Microsoft Excel, PowerPoint

WORK EXPERIENCE

Project Manager at Buma AS

2020.04.13 - 2022.11.31

- I actively engage stakeholders, providing leadership and motivation for the team. I ensure regular updates on project progress and develop a comprehensive plan, including schedules, timelines, and budgets, to guide successful execution. I used technologies / tools like Nosbe, Scrum, Agile, Excel, PowerPoint

Internship at BetaService

2019.03.01 - 2019.06.01

PERSONAL PROJECTS

SpeedRent Store & Admin

<https://speed-rent-store.vercel.app>

<https://speed-rent-admin-panel.vercel.app>

- I developed an admin dashboard with Clerk, Stripe, Prisma, PlanetScale, Next.js, TypeScript, Tailwindcss
- This dashboard efficiently manages products, categories, users, and payments, all in real-time coordination with the store application via GET and POST requests.

DegustoVR

<https://degusto-ts.vercel.app/>

- I've created an online store with user account management, secure Stripe payments, TypeScript for code quality, Tailwind CSS for design, PostgreSQL for data storage, Prisma ORM, and Figma for design.
- Users can sign up, shop, manage their accounts, place orders, and add items to their carts.

CERTIFICATES

- Front-end Expert | Algoexpert.io certificate
- IT technician certificate (e12,e13,e14), MTA 98-364 MICROSOFT (DATABASE), ECDL DIGCOMP 1 Advanced digital competences (A:3.1,4.1,4.2,4.4,5.1 and A + B: 1.1, 1.2, 1.3, 2.1, 2.2, 2.3,24,2.5, 2.6,3.3, 3.4,4.3), ECDL DIGCOMP 16 Advanced digital competences (5.1,5.2,5.3,5.4), Web editing 2.0 (KompoZer), Troubleshooting (1.0), Word Processing (5.0)
